

A futuristic arena with a large audience seated in the foreground, looking towards a stage. The stage is illuminated with a bright blue and orange glow, and a large, glowing blue and orange sky is visible above the stage. The arena's architecture features curved, metallic-looking walls and a large, glowing blue and orange sky above the stage. The overall atmosphere is high-tech and dramatic.

DEEP NATION

THE REAL POWER LIES
IN YOUR SKILL AND
STRATEGY

PROBLEM IDENTIFICATION

High market volatility

Cryptogames often have lacking gameplay

High economic entrance to be competitive

SOLUTIONS

EASY ENTRANCE

Not previous inversions

PVP

Face to face challenges
Same conditions for all
Progression at wish

BENEFITS

Getting profits in five minutes
No coin fluctuations
Commissions free withdrawal

INVESTORS

Monthly benefits shared
with the investors through
the DNC token

OPPORTUNITIES

FRIENDLY ECOSYSTEM

Current Play-to-earn games offer inflationary tokens, so the final benefits depends on the market. Usually, rewards are directly linked to the investment not the player's skills.

Games are not enjoyable. We use the concept of the first game ever. Tennis for Two, granting simplicity and diversion equally.
